MY SEXY SECRET!

"SPECIAL DELIVERY"

Waking up on the sofa with a raging hard-on, I started jerking myself off. Not realizing that the windows were completely open, I whipped my cock out and began to stroke. After a few more minutes of solid pounding, I heard a knock at the window. Grabbing a pillow and placing it over my cock, I noticed the hot mail lady pressing her tits against the glass. Apparently she had been watching my horny display the entire time and wanted to get in on the action.

Without hesitation, I let the bitch in and began to suck on her thick nipples. She smashed her tits around my face before tucking her hands down below to tickle my balls with both hands. Her warm palms felt amazing, especially when she began to dribble spit across my groin.

"Bend over!" I hissed, curving her around my sofa to get a piece of her in standing doggie. With a dripping wet cock to match her moist muff, my cock slid right into position. I fucked the girl hard and fast, causing her satchel of mail to scatter all across the floor. When her moaning became too loud, I grabbed a stack of letters and stuffed them into her mouth. "Shut up and take it," I warned.

She did what I asked, eventually spreading out before me in missionary position. Continuing in her ass, I gave it to her even harder. When I felt my nuts tighten, I pulled out and sprayed her down, accidentally saturating the mail with jizz.

So if you happen to get soggy mail... my bad!

MARKETA

The finer things in life are often experienced when you get older and make some extra money. Not true for 23-year-old Marketa who has enjoyed the upscale lifestyle since her 18th birthday! For this brunette stunner, things have come rather easy. Of course, when you look like a supermodel and fuck like a porn star, things tend to happen rather effortlessly. Every one of her boyfriends have been millionaires at the very least, and now her primo pussy has been searching for a cock with a 10-digit income. Will she ever find one? Well, with a slit like hers, the question is, how will she choose which dick to take? ♣

INTERVIEW BY:
EMMA EDWARDS
IMAGES COURTESY
OF WICKED PICTURES

How long have you
been a Wicked Pictures
contract girl?

It's going on eight years now, although I left the industry briefly for a year and a half. I'm so happy to be working on great movies again and haven't looked back. My time with the Wicked family has been wonderful.

What is the strangest role
you've ever had to play?

In the movie *Forever is the Night*, directed by François

Clusot, I played a crack-head hooker. That was a really challenging role. I loved the character actually. It allowed me to expand my craft and creativity. He is one of my favorite directors to work with because he encourages us to step outside of ourselves. The result is a better performance and a hotter project. That was totally not a normal role for me, which is why I liked it so much. Whenever I read a script, I try to visualize the words as a movie being played out in my mind. I then assign mainstream actors to play the characters and

try to act the way I think they would have handled the roles. For that role, I channeled my inner Angelina Jolie from *Gia* and the crazy chicks from the movie, *Girl Interrupted*.

What is the sexiest role
you've ever had to play?

Actually, that role was also one of my sexiest roles ever played. I really lost myself in the character and had great sex. I also felt very sexy in *Curse Eternal*. For that project, I played an Egyptian queen. The sex and the actual sets were very exciting. We had a bigger budget for that project and

the results were great.

You are very playful
on camera, is this the
type of person you
are off camera?

I am a playful person off camera. In fact, I am a total goof. I like to have a good time. No matter what role I'm playing, my personality always shines through. Just take a look at any behind the scenes coverage and you'll see the goof in action. I just love to chill and laugh. I try to never take myself too seriously.

How has your sexuality
blossomed since joining

the adult industry?

I've become more open, sexually confident, and more verbally expression. I'm a more well-rounded person and performer as a result of my career. I was 21 when I started, and had some experience but this career choice has really allowed me to blossom.

Do you enjoy playing dress-up in your private life? If so, what are your favorite characters to become?

I love playing the schoolgirl. She is always fun and sexy. Boys like to have fun with that naughty girl. Now for my men, I love it when they dress up as ninjas. I don't know why, but assassin ninjas turn me on.

Do you have a secret fetish?

Yes I do. I have it bad for men in drawstring pants. Right now, I can visualize the loose pants sitting low on the hips to show off the stomach darts that point down to their cock. He'd be free-ballin' underneath his pants, with no socks on. That's my secret fetish. A man dressed up like that gets me hot every time!

Were you very sexually active before joining the adult industry?

I've always been a serial monogamist and have continually been in relationships. I've always been very playful with my boyfriends. Before I got involved in porn, I remember a few of

my boyfriends telling me that I made great 'porno faces' during sex, especially during orgasm. So I guess I was totally porno before my time! Destiny... (laughing)

What female starlet would you love to work with but haven't yet?

I would have loved to work with Kobe Tai, although she is no longer performing in the adult industry. She actually quit the business when I entered. Talk about bad timing. We would have looked great together because our bodies are so similar. I absolutely love her as a performer. I look up to her, as well as Julia Ann, and Asia Carrera. To me, those women are examples of top performers.

Who are some of your favorite male performers to work with? Why?

Julian and Manuel Ferrara are very sexy boys. They both share a common denominator that is pretty self explanatory! (laughing) As of late, I've really been into Danny Mountain and Rocco Reed. Rocco and I have great chemistry. We work very well with one another and always have a great fucking time.

What is the sexiest part of your body?

I would have to say my legs. They are developed and look good in heels. Thankfully, I don't have chicken legs. That would really suck.

27678

What is your secret hot spot? How do you like it touched?

Oh, my neck! I love for my neck to be kissed, licked, and touched. The same holds true for my lower back and spine. Behind the knees is also a very erogenous zone that most people either don't know about or ignore completely.

What is your sexual specialty?

I give great blowjobs probably because I enjoy them so much. I think it looks good, feels good, and tastes good. Thankfully,

I've never had any complaints. Giving blowjobs either on camera or in my personal life makes me so excited. I love turning a man on with my mouth. I hate watching girls give lame head. I can't deep throat however, but I definitely get plenty of leverage on the cocks I suck. In my defense, I do work with really huge cocks, so realistically speaking, where would it go? (laughing)

Have you ever thought about writing a movie for Wicked Pictures?

What would it be about?
Yes, I have thought of a great concept that hasn't been done before. This is shocking too because the

idea is quite simple and what we as porn stars go through every day. It's the story of a porn star and her personal life. It will deal with personal relationships and the effects of going to work on a porn set every day. It would be a porn star playing a porn star. Basically, it would be someone playing me, for instance. Doesn't that sound interesting?

Describe your ultimate sexual fantasy.

Sex under a waterfall in a tropical location would be fantastic! I'm talking about really dirty, nasty, hot, wet sex. I also fantasize about being fucked by two men. That one always gets me going, too.

What do you enjoy doing in your spare time?

I love doing very laid back things, such as curling up on a couch to watch a movie or spending time with my family and friends. I also love playing with my dogs. My ultimate place to chill out is at the spa or at the beach. Those are two examples of my heaven.

What turns you on?

Aside from assassin ninjas and drawstring pants, confidence in people really turns me on.

What is your favorite movie of all time?

That is such a hard question to answer since I love so many different types of

movies. The ones that stand out right now are *Scarface*, *Pretty Woman*, and *Forgetting Sarah Marshall*. Those movies really rock!

What do you sleep in?

If not naked, I like to sleep in booty shorts, a tanktop, or just an oversized t-shirt. I like to be super comfy when I sleep.

What type of clothes do you feel sexy in?

I have this thing for wearing a man's button-up shirt and heels. I feel so sexy in that sort of outfit. When I perform in my Wicked Web-Cam shows, I throw that type of look together. It

drives my fans crazy. I get a better response from that type of outfit then when I wear my feature dancing costumes. Oh, and the men also love that outfit with a pair of tube socks!

Describe the perfect cock. Who has it?

Tan, thick, smooth, tasty, and works well. Tommy Gunn has this exact type of cock. His balls are also quite nice too. He's got the total package.

Who in porn has the perfect body?

Mikayla Mendez, my former contract sister, was incredible. She had perfectly smooth, tan skin. Her

pussy was always clean, fresh, and so delicious. Hands down, I thought she was the prettiest Wicked girl and I loved working with her. The perfect male body for me belongs to Rocco Reed or Voodoo. I love the guys who are tan and have a sexy athletic build. Their cocks are also very nice, which is always a plus.

Will you ever perform anal sex on camera? If so, who with?

I did perform anal sex with Brad Armstrong in a movie called *Never Say Never*. I enjoyed it very much. I don't know when I'll do it again though because

I don't want to make a habit of performing anal on camera all the time. My goal isn't to become an anal-crazy-butt-queen. No thanks! (laughing)

Do you have any last words for your fans?

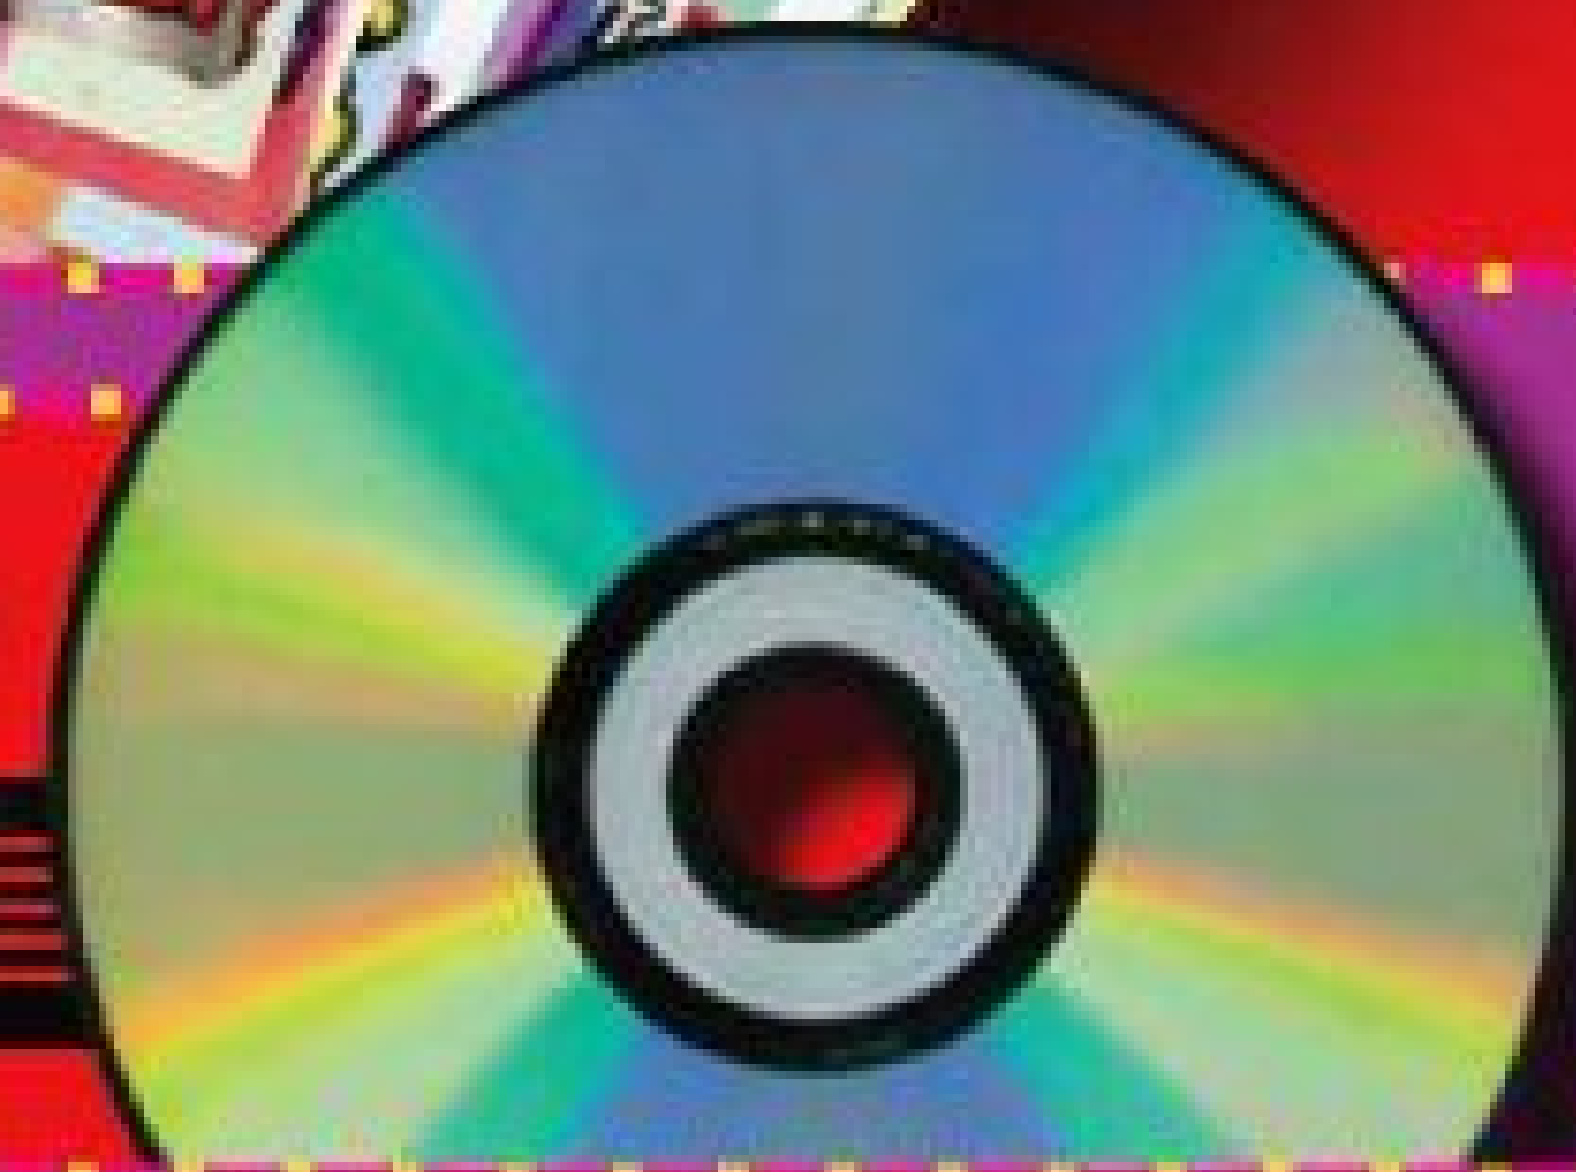

I love you all very much and thank you for your continued support. You mean the world to me. For your dedication, I am grateful. ♣

ABBEY & TOMMY

Happy couple Tommy and Abbey have something super exciting to celebrate. They've been knocking boots together exxxclusively for six delightful weeks now and decided to cummemorate the big day by indulging in a little anal. Abbey had never before had her starfish speared, so she was just a little bit nervous but excited all the same. Tommy was eager to bypass her beaver and sink his wood deep into her holiest hole of all, but, knowing full well this was one situation at least where he really wanted to be remembered as being a gentle man, he just tossed out his junk and let Abbey dictate the pace. She got down on all fours and sucked him slowly and deliberately, really taking her time and running her tongue over every last bump and vein on his triumphant fuck stick. When she was fully satisfied with how rock hard, ramrod straight and sloppily soaked in spittle his man hammer was, she turned around, spread her cheeks apart and let him tap that ass. Tommy eased into it, smoothly loosening her balloon knot without a glitch until his charlie was sung up in her chocolate factory and his balls were bumping against her little bald man in the boat. A few pumps and that chump was ready dump his load so Abbey swiveled around once more to take it in the face like a champ of a tramp. ♣

Sheer poetry in motion, ten gorgeous girls come together to experience the ultimate in lesbian fantasies. As each pair succumbs to their hidden desires, the camera is inches away from the action and never misses a moment. At times, the intimacy is so intense it feels as though you're peeking in through a window as real couples show their love for one another. Exciting and well presented, Ashlynn Brooke's second set of fantasies proves to be just as erotic as the first, making this a must see for girl on girl enthusiasts.

Opening up in the first sequence are Evie Delatosso and Mia Presley. Locking lips and labia, both girl go at each other like hungry cats. Getting their fill of pussy milk, these kitties do the best job when masturbating each other side by side. Meow!

The same passion is shared between Celeste Star and Tuesday Cross in the next scene. Dazzling the screen with incredible kissing, these girls really put on a good show. The admission ticket only gets better when the girls flip themselves into the 69 position and begin to poke and prod at will.

Meanwhile, Zoe Britton is being treated to plenty of faux cock as Juelz Ventura straps one on and gives it to her good. Jumping on top in cowgirl, Zoe works the cock well. She even gives the toy a little tongue bath before she's through shoving it up her slit.

Aiden Ashley and Sea J. Raw tear it up in the bathtub, rendering each other a sticky wet mess. With incredible oral given to each and more sensuous demonstrations of love administered, this scene easily takes home top honors for the sheer beauty and eroticism of its participants.

The leg tangle and pussy grind between Lexi Belle and Sabrina Sweet is the perfect way to end the show. With locked legs and pretty faces, these

girls mill their muffs to orgasm before Lexi straddles Sabrina and has fun humping her bum.

SUMMARY: Ashlynn Brooke presents five new fantasies and does so by adding that special female touch to each. Not only are the girls beautiful and the fantasies realistic, but the sex is incredible. In fact, the lesbian sex displayed is reminiscent of what girls actually do to each other behind closed doors. The result is worth its weight in gold! ♣

BIG WET BUTTS 2

STARRING: Phoenix Marie, Harmony, Flower Tucci, Julia bond, Jenny Hendrix, Olivia O'Lovely, Luscious Lopez, Johnny Sins, Kurt Lockwood, Derrick Pierce

DIRECTED BY: N/A

AVAILABLE FROM: Brazzers

**BIG BOOTY BITCHES
ANAL ANNIHILATION**

Beep, beep beep! That's the sound of big, oiled up asses backing up in the second chapter of this double-bubble series. With eight delectable derrieres on the line, and plenty of anal excavators to go around, expect great things!

Stampeding out first in a sudsy mess are Flower Tucci, Phoenix Marie and Harmony. They do a damn good job of

washing a car with their wet tits before polishing the rims of Scott Nails and Johnny Sins. In an orgy made in heaven, each ass gets stuffed, buffed, and smacked to perfection before the gravy blast from the men's double-headed barrel starts firing at will. The effects are... wet!

A flurry of warm oil down Julia Bond's butt flaps is the way Kurt Lockwood chooses to begin his scene. After rendering her a slick mess, he tinkers with her tushy using his fingers before packing her pooper full of pole. She eggs him on throughout and really comes to life when it's her turn in the driver's seat. Incredible!

Although insanely hot, there is something special about Jenny Hendrix that makes her stand out from the pack. Perhaps it's her perfect ass, or the way she whimpers when her bum is being bombarded by banger. Either way,

she gives it up like a champ and deserves the spot at the head of the class, as her scene has A+ written all over it.

Trouble is expected and delivered when Olivia O'Lovely and Luscious Lopez team up to smother Kurt Lockwood with their 80 combined inches of Latina ass! Up for the challenge, he boinks both butts and watches them use toys before anointing their faces with jizz, jizz, and more jizz.

Ricki White ends the show as lovely as it began by giving up gobs of gape to Johnny Sins. He smacks her ass around and uses it just right, ending their romp with plenty of splash!

SUMMARY: For anal done right, look no further, Brazzers has you smothered and covered! From end to end, this movie delivers a double helping of what butt lovers crave and then some. Eat it up, dinner is served! ♣

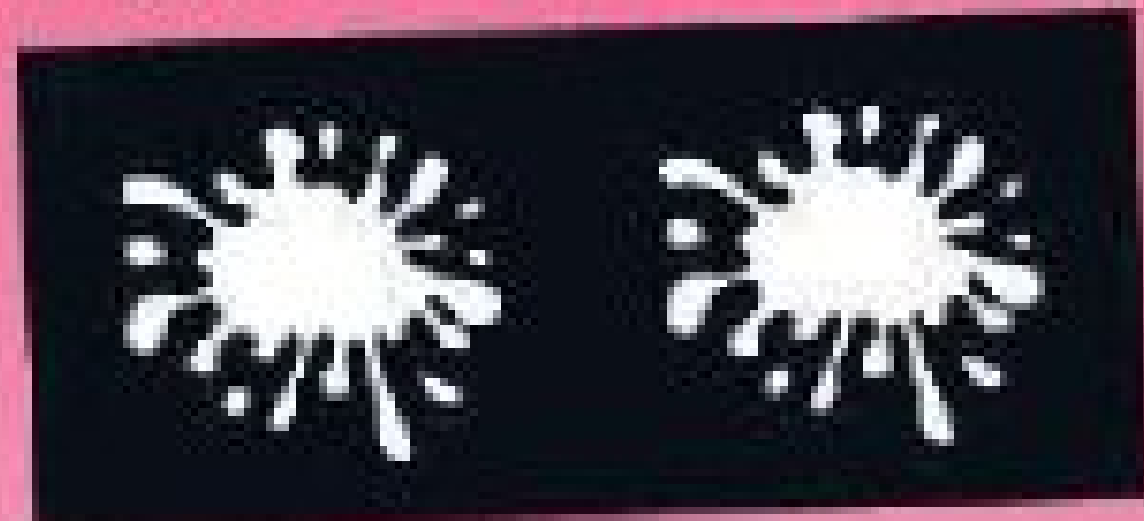

EXPERIENCE REQUIRED

STARRING: Savanna Samson, Jerry, Austin Kincaid, Claudia Valentine, Lucky Benton, Alex Gonz, Mick Blue, Danny Mountain, Voodoo

DIRECTED BY: B. Skow

AVAILABLE FROM: Vivid Entertainment

MATURE MILFS / MEDIOCRE SEX

Showcasing sexually mature women in their prime, director B. Skow is out to prove that women in their thirties are where it's at. Using Savanna Samson as the main driving force, as she flashes her gash across two heated scenes, she is joined by other carnivorous cougars that are just as hungry for fresh meat. The results are acceptable at best, although miles away from memorable.

As is the case for each of the four featured scenes, B. Skow interviews each

girl about their prior sexual experiences and fondles them a bit before unleashing the ladies onto their cock du jours. Austin Kincaid, a playful brunette, looks great when flashing her tits. She looks even better when Alex Gonz begins bouncing his flogger against her face. Her real worth, however, is best shown in doggie position as her juicy jugs jiggle.

Claudia Valentine, another hungry cat, gets frisky with the camera by spreading her vagina open for all to see. Her tan hole quickly gets stuffed with tongue and tool as Savanna Samson and Danny Mountain come over to play. With good three-way action, and plenty of positions, this trio goes for the gold but sadly only turns in a bronze-worthy performance.

Meanwhile, Voodoo is getting quite friendly with Lucky Benton. Wearing a sweater and no panties, Lucky provides Voodoo easy access. He butters up her fluffy pussy lips with plenty of saliva

before ramming his sword up her slit. Although fun to watch, the bitch really goes over the edge once Voodoo places his meaty frank between her chesty buns.

Savanna Samson ends the movie with two cocks instead of one when Mick Blue and Jerry decide to give her a double dose of Euro dick. She takes both with a smile, shoving one in the backdoor and one in the front, for what becomes a DP done right.

SUMMARY: With good performances that will certainly get the job done in a pinch, this production doesn't feel special because it seems to lack soul. As usual, Savanna Samson does her job well although she's been known to perform at much higher levels. The other girls sadly don't hold a candle to the star of the show, as their light merely flickers against the power of her glow. Close, but no cigar! ♣

JACK ON MOMS

STARRING: Skylar Price, Velicity Von, Mandy Sweet, Jessica Bangkok, Giselle Monet, Max Mikita, Jack Napier

DIRECTED BY: Jack Napier

AVAILABLE FROM: Vouyer Media

WHITE MAMAS / JUNGLE JUICE

There is only one way to say this, Jack Napier has a huge cock! Eye popping whenever he drops his pants, and jaw dropping whenever he fits it inside a horny chick, it's never a dull moment when Jack's around. This time, Jack shows some big chocolate love for porn mamas by rescuing them from their domestic duties and feeding them some cock instead. With each hungry hottie rising to the occasion, the ladies leave the experience completely satisfied

and fully stretched out.

Jessica Bangkok begins the show with a sexy interview conducted by Jack. After lots of dirty talk and anticipation for sex, Jessica comes face-to-face with his one-eyed monster. Sucking and stroking, Jessica plugs away on his cock until her eyes water. She later takes him in reverse cowgirl, giving up loads of energy in the process. This all ends in a cream pie finale.

Continuing on, Velicity Von really takes things to the next level by blowing and screwing Jack behind a dumpster. After getting away with plenty of sex in public, the duo takes their fucking inside. It is here where Velicity is treated to the same cream pie experience, as Jessica.

Mandy Sweet is up next and looks great when rolled out into doggie position. With big American titties, eraser nipples, and plenty of cushion to go around, Mandy hoots and hollers when

Jack rearranges her cervix in cowgirl. No matter her discomfort, Mandy works through her minor dilemma until she reaches success... and orgasm!

When finished there, cover girl, Skylar Price, goes the distance in her first interracial scene. Taking to black cock like a fish to water, this gorgeous blonde doesn't disappoint.

Giselle Monet also takes a spin on Jack's cobra cock, but not as well as Max Mikita. She shows all of these bitches up by taking Jack up the ass in multiple positions, in what is being presented as a bonus scene. Incredible!

SUMMARY: Jack scores major points with this crop of girls, mainly for their enthusiasm and willingness to go the extra mile. Although none would be considered A-List girls, they all deliver A+ performances that helps make this interracial release worth watching. It's big, it's black, it's Jack! ♣

ONCE YOU GO BLACK YOU NEVER GO BACK 5

STARRING: Gina Lynn, Missy Woods, Natalia Rossi, Bella Blaze, London Keyes, Sean Michaels, Mr. Marcus, Lexington Steele

DIRECTED BY: Jules Jordan

AVAILABLE FROM: Jules Jordan Video

SEXY SLUTS / INTERRACIAL INTERLUDES

The Prince of Porn has done it once again! Demonstrating stellar bouts of interracial sex, director Jules Jordan hits the nail right on the head. By pairing porn hussies with celebrated black stallions in the fifth installment to his winning series, Jordan ensures his spot on top. With over three hours of hardcore coverage and enough fucking to make lesser women crippled, each scene goes the distance to deliver the type of fiendish fucking that porn fanatics pine for.

The standout attraction here is watching Gina Lynn demonstrate her love for all things chocolate when she mixes color with Sean Michaels and Mr. Marcus. Obviously capable of rocking her world, both men treat Gina to plenty of pole and positions. Looking incredible in each arrangement, Gina really shines when being hammered hard in standing doggie. Her double knob job also deserves an honorable mention.

Rising in the ranks fast is Missy Woods, and for good reason. Not only is her sexual prowess enviable, but her elastic asshole is capable of doing what other buttholes can only dream of. Proving the point, Missy takes Lexington Steele up her pretty bung and does so with a smile across her face. She also feeds her vag plenty of pole and even manages to tickle her tonsils when taking Lex down the neck. Atta girl!

In the following sequence, Natalia Rossi, a petite Latina, looks entirely too small to handle a big boy like Mr. Marcus. But, after all, looks can be

deceiving. In fact, Natalia handles him quite nicely. Nearly being split in two in multiple positions, Natalia scores the most points when riding her hunk hard in standing cowgirl.

Bella Blaze looks incredible when wrapping her homegrown tits around Sean Michaels, nearly bouncing back into her face when riding rugged in reverse cowgirl.

In the end, London Keyes spins head over heels to experience Mr. Marcus and really shines the moment she begins to beg for the bone. Absolutely brilliant!

SUMMARY: Jules Jordan never misses a beat and painstaking goes the distance to deliver heart pounding pornography with each of his productions. This release is no exception. Included are five load-worthy examples of top-notch interracial fucking. This is followed up by a bonus fuck scene, starring Tiffany Rayne that is the frosting on top of this chocolate sundae. Super duper! ♣

REFORM SCHOOL GIRLS 6

STARRING: Ally Kay, Amy Brooke, Ashlyn Rae, Brynn Tyler, Cali Kayden, Victoria White, Nick Manning, Pike Nelson, Randy Spears, Tony DeSergio

DIRECTED BY: Mark Stone

AVAILABLE FROM: Wicked Pictures

SEXY STUDENTS / COLLEGIATE COOZE

There is no secret why naughty schoolgirls remain at the top of our list of favorite recurring fantasies. Imagining their tight bodies, freshly sprung nips, and horny libidos is enough to make any soldier stand tall in full salute. Understanding our need for pleated skirts and white panties, director Mark Stone has assembled six Reform School Girls and unleashed them on experienced studs that induct them into the school of hard cocks quite nicely!

The gonzo feature begins with Randy Spears, playing the role of Principal Davidson, going to a downtown strip joint to see what the girls are up to. He quickly finds Brynn Tyler stripping and decides to get to the root of the problem by sticking his cock down her throat. She sucks and slurps with a smiling face, eventually connecting to his pole in cowgirl and spoon before tasting his gravy.

From here, Tony DeSergio, Professor of Discipline, gives Ashlyn Brooke a private lesson in moral conduct by spreading her open across his desk to sample her collegiate cooze. She giggles and coos, looking exceptionally great when getting his point pummeled into her in standing doggie. Arfff!

Ally Kay, another blonde newbie, gets her fill in the back of the club when Nick Manning comes knocking on her door. Like the students that came before,

Nick pounds this slut into the sofa, never letting up until her pussy explodes.

Victoria White and Cali Kayden, the only lezbos in the bunch, give it to each other good while performing on stage. In lieu of pole acrobatics, Victoria's talent is a vibrating tongue that makes Cali cum all over her hot mouth.

As if we didn't have enough bad girls already, Amy Brooke does double duty in the end by taking Pike Nelson up the pussy and up the booty.

SUMMARY: In what is dubbed a "gonzo feature," director Mark Stone gets right to the point with hardcore sex and axes the model of a traditional feature. Although a thin story is woven between the scenes, the stand-out attraction here is the young sluts that take cock like seasoned players. ♣

Sandra fancies herself an expert on lady's lawn care. She makes sure that her own bush is always impeccably maintained and she offers her superior twat tidying services to her sistas for free on a regular basis. What makes her so good at what she does is that fact that she is willing to get really hands-on...that and it also so happens she's genuinely gaga for gash. One day Sandra received a call from Camille asking for her assistance so the two beauties scheduled a day to spend together. As soon as they met up Sandra got right down to business and had Camille out of her clothes lickity slit. To Sandra's exxxpert eye, Camille's cunny looked gorgeous and well-groomed but Sandra was determined to thoroughly investigate so as to make sure she didn't miss anything. She arranged Camille on the chair so that her vage was high in the air and took a real good look. Sandra quickly pronounced Cam's quim good enough to eat. As a reward for keeping her puss so pretty Camille received quite a working over by Sandra with an assist from her very favorite dildo. Soon Camille was cumming, honey spilling out from her precious pot and making her thighs sticky. Sandra was all aglow as well, feeling fantastic after helping out her freshly fucked friend.

EXTREME PUBLIC ADVENTURES VOL. 1

27691

STARRING: REBECCA BLUE,
ELIZABETH DARLING, APRIL O'NEIL
DIRECTED BY: MARC STAR,
EISENHOWER MCSTAIN
AVAILABLE FROM: LFP VIDEO

Although getting it on behind closed doors is incredible, there is something to be said about demonstrating public displays of affection. Watching your girl flash her ass or tits at a restaurant, when no one is looking, is at times more intense than watching her strip down to the buff in the bedroom. Even better than that is happening upon a sunbather, tanning her skin and forgetting that her bikini top has come undone as she rushes up to greet the sun. Those erotic surprises seem to conjure up the naughtiest feelings inside of us. The taboo, the

scandal, and the fear of being caught can be just as erotic, if not more so, than the actual sex itself. With most of the world in autopilot these days, it's nice to get the blood flowing and be forced back into the sexual world we are all apart of. After all, sex is what makes the world go round... right?

Capitalizing on our obsession with public nudity, directors/creators Marc Star and Eisenhower McStain have changed the adult arena all together by offering the porn public a new type of sexperience in *Teasers: Extreme Public Adventures, Volume 1*. What these visionaries have done is taken gorgeous girls to the streets of Los Angeles in scantily clad outfits and let them do what they do best... tease and please! With a camera in hand, and look out scouts

on the prowl for potential trouble, these men encourage the willing ladies to strip down and do naughty things to themselves while everyday people and cars carry on in plain sight. "We're pretty sneaky. We've been busted by cafe owners, angry neighbors, that kind of thing, but only once by the police," Star interjects with a slick smile across his face. With a bustling new website and the release of this highly anticipated first installment, great things are delivered as these featured females shed their inhibitions and their clothes for our enjoyment. With that said, are you ready to get freaky with the girls and me on the streets of Hollywood? Of course you are!

Today, April O'Neil, a gorgeous Latina with homegrown D-Cup tits,

is in the hot seat. Looking incredible in a barely there black dress, fresh face, and sexy sandals, April is ready to play. Nervous about the experience and the harsh repercussions for getting busted, she winces, "Lets go public. But not too public." The boys grin and nod with sly looks in their eyes, leading her to a cafe. Nervous at first, Star loosens April up by asking her personal questions about herself and her sexual experiences. As she grows quite comfortable with his friendly manner and soft tone, April begins to lower the straps of her dress, revealing an incredible cleavage. "Come on. Show me what's hiding underneath that dress," Star coaxes in a sexy voice. Soon, the top of April's dress is down as she eats her salad and pedestrians walk past, completely oblivious as to what's happening on the other side of the sidewalk. Almost forgetting that her tits are completely exposed at this outdoor cafe, April continues answering

questions and squishing her tits together. "I'm really beginning to like this whole public nudity thing," she smiles, eventually pulling her straps back up as the waiter comes by to offer her more iced tea.

As this display turns her on, April goes even further by scooting her red panties down her thin legs to reveal a freshly shaven snatch, once the waiter has walked away. "Do you want to watch me play with my pussy?" she asks the camera. As the camera nods, April looks around and then sinks her fingers in deep, licking the drippings and showing off the juicy stringers to the camera. "All of this excitement is making me really horny!" she teases. "Check please!" Star comically blurts out, as it's time for the second part of this very public experience.

After lunch, April walks down a busy sidewalk, flashing her tits, pussy, and ass throughout in what is called the

"up skirt" portion of the show. With honking horns from some horny motorists and the extreme feeling of freedom that nudity provides, April settles on a blanket next to a busy driveway and begins to fuck herself in public. By now, the fact that there are people waiting for the bus only ten feet away doesn't seem to phase this rose that's certainly shed her petals. She continues to play, occasionally looking over her shoulder, and actually makes herself cum in the process. When she's finished showing off the goods, she gives the boys a hug and continues walking down the street, flashing us her ass as her personal way of saying good-bye!

With another girl eager to jump in and continue where April left off, Elizabeth Darling, a girl-next-door newbie, joins us at another outdoor cafe. She is dressed in a skimpy black vest and white shirt that resembles a belt

rather than actual clothing. Excited to get started, Elizabeth takes her seat at the table and begins to flash us her nips. "I thought you were gonna be a shy one," Star teases, as he reaches across the table to free her young titties from the confines of her vest. Apparently, in this case, looks can be quite deceiving. Smiling at the thought of being called shy, Elizabeth begins to show us what she's made of. Sucking on her strawberry smoothie, Elizabeth motions for the camera to look underneath the table. Once the camera is in place, Elizabeth tugs her panties down and throws the moistened fabric to the camera. Continuing to suck on the sugary contents of her drink and answering silly questions, this naughty nymph keeps her legs wide open for all to see. "The cool breeze feels great against my hole," she purrs, flashing her gash in the direction of nearby patrons.

Eager to try out her public displays of nudity in a larger vicinity, Elizabeth takes to walking down a busy street. Gliding alongside a chain link fence, she raises her skirt and shows us the incredible way her ass jiggles as she walks. As the dogs in the neighborhood get wind of this frisky kitty, they begin to bark. Not bothered by the loud city sounds (cars, sirens, lawnmowers, dogs), Elizabeth begins to take her panties down once again. Now walking with her panties locked around her knees, this teen tart bends over and touches her toes. "Can you see all of me?" she smiles over her shoulder.

Eventually, she stops along the fence and begins to masturbate with a rose. Banging the red flower against her clit and over her breasts, she makes floriculture look damn good! "I'm ready to play now," she says in another playful tone that has Star and McStain all worked

up. For this sequence, they set Elizabeth up on the grass in front of apartment buildings. With her curvy legs spread, Elizabeth begins to stuff her hole with digits until she is four fingers committed! When her outdoor display of love becomes too risky to continue in this particular location, we all drive over to the famous Hollywood sign.

Now more aptly disguised in a less crowded location, Star gets a bit naughty with Elizabeth by testing out the buoyancy of her ass by grabbing the fleshy cheeks and giving them a little squish. "Wow, you're a dirty boy. I like dirty boys!" she teases, as her scene comes to a climactic close.

The next day, cover babe Rebecca Blue is ready to go. With a petite body and bottle blonde hair, this young harlot has slut written all over her. Anxious to show off in multiple outfits, Rebecca begins her play in a red bikini that can

be best described as dental floss! Like the gorgeous gals that came before, Rebecca begins her play by walking down a busy Los Angeles street. With less inhibition than both the other girls combined, Rebecca strips, bends, and twists for the camera. Completely immersed in the naughtiness of it all, Rebecca is looking around and hoping for unsuspecting civilians to stumble across her open holes. "Where is everybody?" she asks, almost hoping to get caught.

"Are you ready to play," Star interjects, while passing her a furry blanket. "Always," she replies, setting herself up on the blanket and going for broke between her legs before the boys have time to give her directions. A rare natural, this girl doesn't need any extra prompts. She's on the corner of Franklin Blvd. spreading her pussy open and feasting on her pussy-drenched fingers.

"Come in closer and see what I'm made of," she jokes, giving the camera an up close and personal view of her hole.

When she's finished with the bikini, Rebecca changes into a white 'wife beater' top and black boots. Continuing to tug, play, and strip for the camera, Rebecca goes wild. She hits an exceptionally high note when a lady drives by and catches Rebecca in raw action. Laughing it off, Rebecca gets even more heated up.

"Here, lets help you out," Star says when he grabs Rebecca by the shirt. Once in his hands, her cuts two holes over her boobs with a pair of scissors so her nipples pop out. A vast improvement, Rebecca continues the show, getting even more brave with the camera and her viewing audience. After Rebecca brings herself to orgasm, the first installment of what we hope turns into a bustling and successful

new series wraps.

With such a unique niche and an incredible idea that caters to the voyeur in us all, Marc Star and Eisenhower McStain have truly created magic in a bottle. With this new titillating form of sexual expression, the streets of Los Angeles may never be the same again. Thank goodness, it's about time the disheveled streets and faded murals of a time long past got a facelift. Public pussy and gash flashes are the new kid on the block. With that said, keep your eyes open while cruising the streets. You never know where Star, McStain, and a new batch of sluts will turn up next! ♣

AROUSED BY NUDE POSING

To make some extra cash, I became a nude model for an art class. I did it for the first time last week. I could tell when I took off my robe in the studio in front of the students, some of them were blown away. They were supposed to act detached and almost scientific as they made their charcoal sketches of me, but I messed up their concentration with my beautiful body.

When I left the class and went home, I felt funny. Posing naked was a much bigger deal than I'd expected. I figured it wouldn't be much different than going to the beach in a bikini, but showing off my nipples, shaved pussy, and bare ass in front of strangers holding pencils and paper got me excited. I was trembling as I walked home. I told myself that my reaction was not typical, that most models just treated it like a job and got no thrills. But it was different with me. I had to get fucked, and right away.

The problem was I had no boyfriend. I had dated a guy named Ben a couple of times, but he wasn't very exciting and it didn't feel

like our relationship was going to go any place, sexual or otherwise. But he was the only one available to me for a booty call. Not that we had done anything yet, and as I say I hadn't planned to. I wasn't even going to see him again! But I knew if I showed up at his place, he would be ready for fun. It looked like it was going to be Ben's lucky night.

When I got him on the phone he was surprised to hear from me, but invited me over. I felt strange as I walked down the street, like people could see my naked body through my clothes. I wondered if I passed anybody who had been in the art class. I wasn't paranoid, just still excited from displaying myself as inspiration for all those busily scratching charcoal pencils.

Ben offered me a drink when I got to his place, and I took it so I wouldn't look too eager. We made some dumb small talk about something he had on tv, but then I relaxed against the back of his couch and he began to kiss me. That was just what I needed!

MELANIE & NICOLE

Melanie and Nicole are a couple of high class dames that know just what they want and they know how to get it. Their lavish lifestyles lend themselves perfectly to lezzing, since they have plenty of leisure time to kill while their husbands are out making the big bucks. These ladies who munch get together almost every afternoon to spend some quality girl time in each other's company, mashing mounds and grinding gash like there's no tomorrow. Recently their wacky whim is to forgo the downy softness that might be found inside a bedroom or luxurious leather kiss of a couch in the living room, instead doing their dykey deeds right on the smooth cool marble in the foyer. Perhaps it feels good pressed against their scorching bods, hotly entwined in a cunny juicing clench. Or perhaps it makes them feel all that much naughtier to fuck right on the floor, their desire to taste one another so great they can't be bothered to pick up and move themselves someplace more suitable. Who knows? Who care? As long as these labe lappers are happy...and from the hum of the vibes, the glaze of their eyes and the glossy sheen of she honey coating their hips, lips and thighs it seems that "happy" might be a teensy bit of an understatement. Somebody grab a mop!

Release: StoreMags & FantaMag

His mouth felt hot on mine and his hands held my body urgently through my clothes. But I needed to get naked with Ben just as I had been naked in the art class. I broke away and stood up and took off my clothes while Ben, picking up on my cue, got rid of his. Then I looked around his apartment (it was first time I'd been there), located his bedroom, and took him by the hand right in there.

There had been about fifty people in the art class, and I imagined that I still had a hundred eyes on me as I stroked Ben's cock and took it in my mouth. I wondered what they would have thought about my cocksucking and the way I held Ben's balls in my hand and licked them. Would they have drawn us together in a picture, or would they have wanted to grab the person nearest to them in the studio and start having sex too?

Posing for that art class made me self-conscious of myself in an erotic way I had never felt so strongly before. I climbed on top of Ben's dick and put it in my pussy and rode him. I closed my eyes and could picture the curve of my butt as I moved faster and faster on my stud's shaft. Because that's all he was to me now—a stud for my needs. I glanced over to the mirror on the wall and confirmed that I made a very pretty picture.

Ben and I switched around and he put me in the doggie position. As he banged me back and forth from behind, my breasts swayed and I wondered if the art class would have gotten good drawings from that. Did my titties look good when I was getting done this way?

Finally we got into the missionary position. That was the best for me, because Ben was so close and our bodies were so tight that only then could I get into the fucking and forget about the art class. For a few moments, I stopped imagining all those people making pictures of us. Ben pumped into me hard and I came before he did. He pulled his cock out of my pussy and shot all over my tummy. As I licked it up, I started thinking again about what a pretty drawing this would make.

"FUCK MY TITTIE TWAT!"

I woke up the other morning next to my boyfriend Joe and while he was still asleep, I had time to think about my tits. The night before we had gone to a costume party and I had dressed up in what a thought was a cute and witty outfit, as a hunk of Swiss cheese. Of course, I showed off my legs in high heels in this costume, and my bare arms stuck out of it, and my face and nice hairdo as well. But after the party Joe—who went as a pickle—was mad. He said I should have worn a costume like a girl who was dressed as a pirate wench, an off-the-shoulder dress that showed off her cleavage. "You have such a great pair of knockers, Bryanna, I don't know why you always cover them up! Sure your legs are very fine but your boobs are amazing! Why are you so prudish about them?"

It was true. It's funny how you sometimes wake up and realize something about yourself that you've always avoided. I was uptight about showing off my breasts. Joe and I slept in the nude, and I threw the covers off and looked at my bosom. My boobs truly were amazing, and better than that pirate wench's! I had to change my attitude about my tits. I would go out and get myself some low-cut stuff today! Enough just showing off my legs, my boobs demanded equal time, as the politicians say!

I decided to treat Joe extra special this morning, to thank him for leading me to this decision. Because if he hadn't spoken up, I would kept on being low-key about my titties. I reached over and took his cock in my hand. I stroked him while kissing his stubbly cheek. His eyes opened and he smiled.

"Sorry I was such a grouch last night," he said. "You were fine as a Swiss cheese."

"And you were magnificent as a pickle. But Joe, you're right, and I'm not going to hide my boobs behind a bushel anymore."

"Yeah, I couldn't even see them through the Swiss cheese holes. They weren't in the right places."

"Oh, suck my tits, Joe. My new tit life begins today!"

Joe looked skeptical but enjoyed my nipples. Then he lovingly smushed his face between my heaving sweat soaked cleavage.

I crawled on top and put his cock in my pussy. I swung my tits back and forth over his eyes and nose and mouth, but he caught one of my nipples between his lips and drew

Release: StoreMags & FantaMag

it in for more sucking.

"Whole new attitude over these," I said. "I saw the light last night."

"Happy to hear it," Joe said through a mouthful of my luscious mammary.

His cock felt great sliding back and forth in my wetness. He reached up and held my cheeks. He pulled them apart and played with my asshole too. That's Joe—he can take care of my tits, pussy, and butt at the same time.

But I wanted to feel his cock between my boobs too.

I pulled myself off and lay back on the bed. I held my boobs up, squeezed them together. "Put your dick in my tittie twat!"

Joe laughed. "You've been reading my porno collection again," he said, getting up on his knees. His cock was shiny with cunny juice. He straddled me and rubbed his shaft over my nipples and the underside of my boobs. Then he lifted up his rod and pressed it down into my cleavage. I wrapped myself around him just as he began to plow me back and forth.

"I'm not going to let you take this cock to work today," I said. "It's staying right here with me!"

"Baby, it's Sunday," Joe said. "No work."

"Oh well, I forgot. Just keep fucking those boobs!"

I watched his meat slide back and forth between my bells. It's true, I do know a lot of words for tits. Maybe I've always just been waiting to "break out" and go wild with them. I guess I have that pirate wench to thank, not just Joe.

"Baby, you keep squeezing yourself on my tubesteak, I'm going to be a tittie litter-bug," said Joe.

"Litter away!" I said.

Joe got serious and plowed me faster and faster. My pussy got more drenched as I watched him move to his orgasm. I didn't even have to touch myself. The moment Joe began to squirt, filling my cleavage with a lake of his cream, I exploded myself. My clit was hot and I screamed in pleasure. Oh yes, no more neglecting my tits. From now on, my boobs were going to be a bigger part of my life, as they naturally deserved!

NATALIE, ROB & CHRIS

When Natalie accepted the invite to spend a day in the country from her friends Robin and Chris she knew she'd best be ready for one heck of a pricknic. She wore her favorite, flimsiest dress for the occasion, the one that was quite flattering to her breasts and buns. Chris and Robin both were very appreciative of how yummy Natalie looked and offered her a two hotdog salute to prove it. She quickly began gobbling down those tube steaks then paused for a sec to remove her dress so that she wouldn't get any sauce on it. Once she was completely nude Nat was really ready to get cookin' so the boys positioned themselves for a spit roasting. First she had Chris boinked her in mish while she sucked Robin's weenie then she rode Robin's bologna pony while snacking on Chris' sausage. After that she was flipped and dipped every which way while she sucked and fucked 'till her two playmates had no choice but to bust their nuts. Natalie knelt and prepared herself for a double helping of man-naise by tilting her face skyward and smiling wide. She wasn't disappointed—they guys heaped so much goo into her open mouth that it dribbled off her tongue and down over her tits. Not such a bad way to spend a day! ♣

TYLER "I've always been extremely proud of my tits," Tyler said, and added, "but can you believe that my last man was embarrassed by them? He said he felt weird when we would go out and guys would stare at my chest. Needless to say he's history and I'm on the prowl once again for a man who's secure enough to deal and who will get off by guys checking me out. He can take solace in the fact that he's the one who gets to come home and use me any way he wants to!"

A PIC!

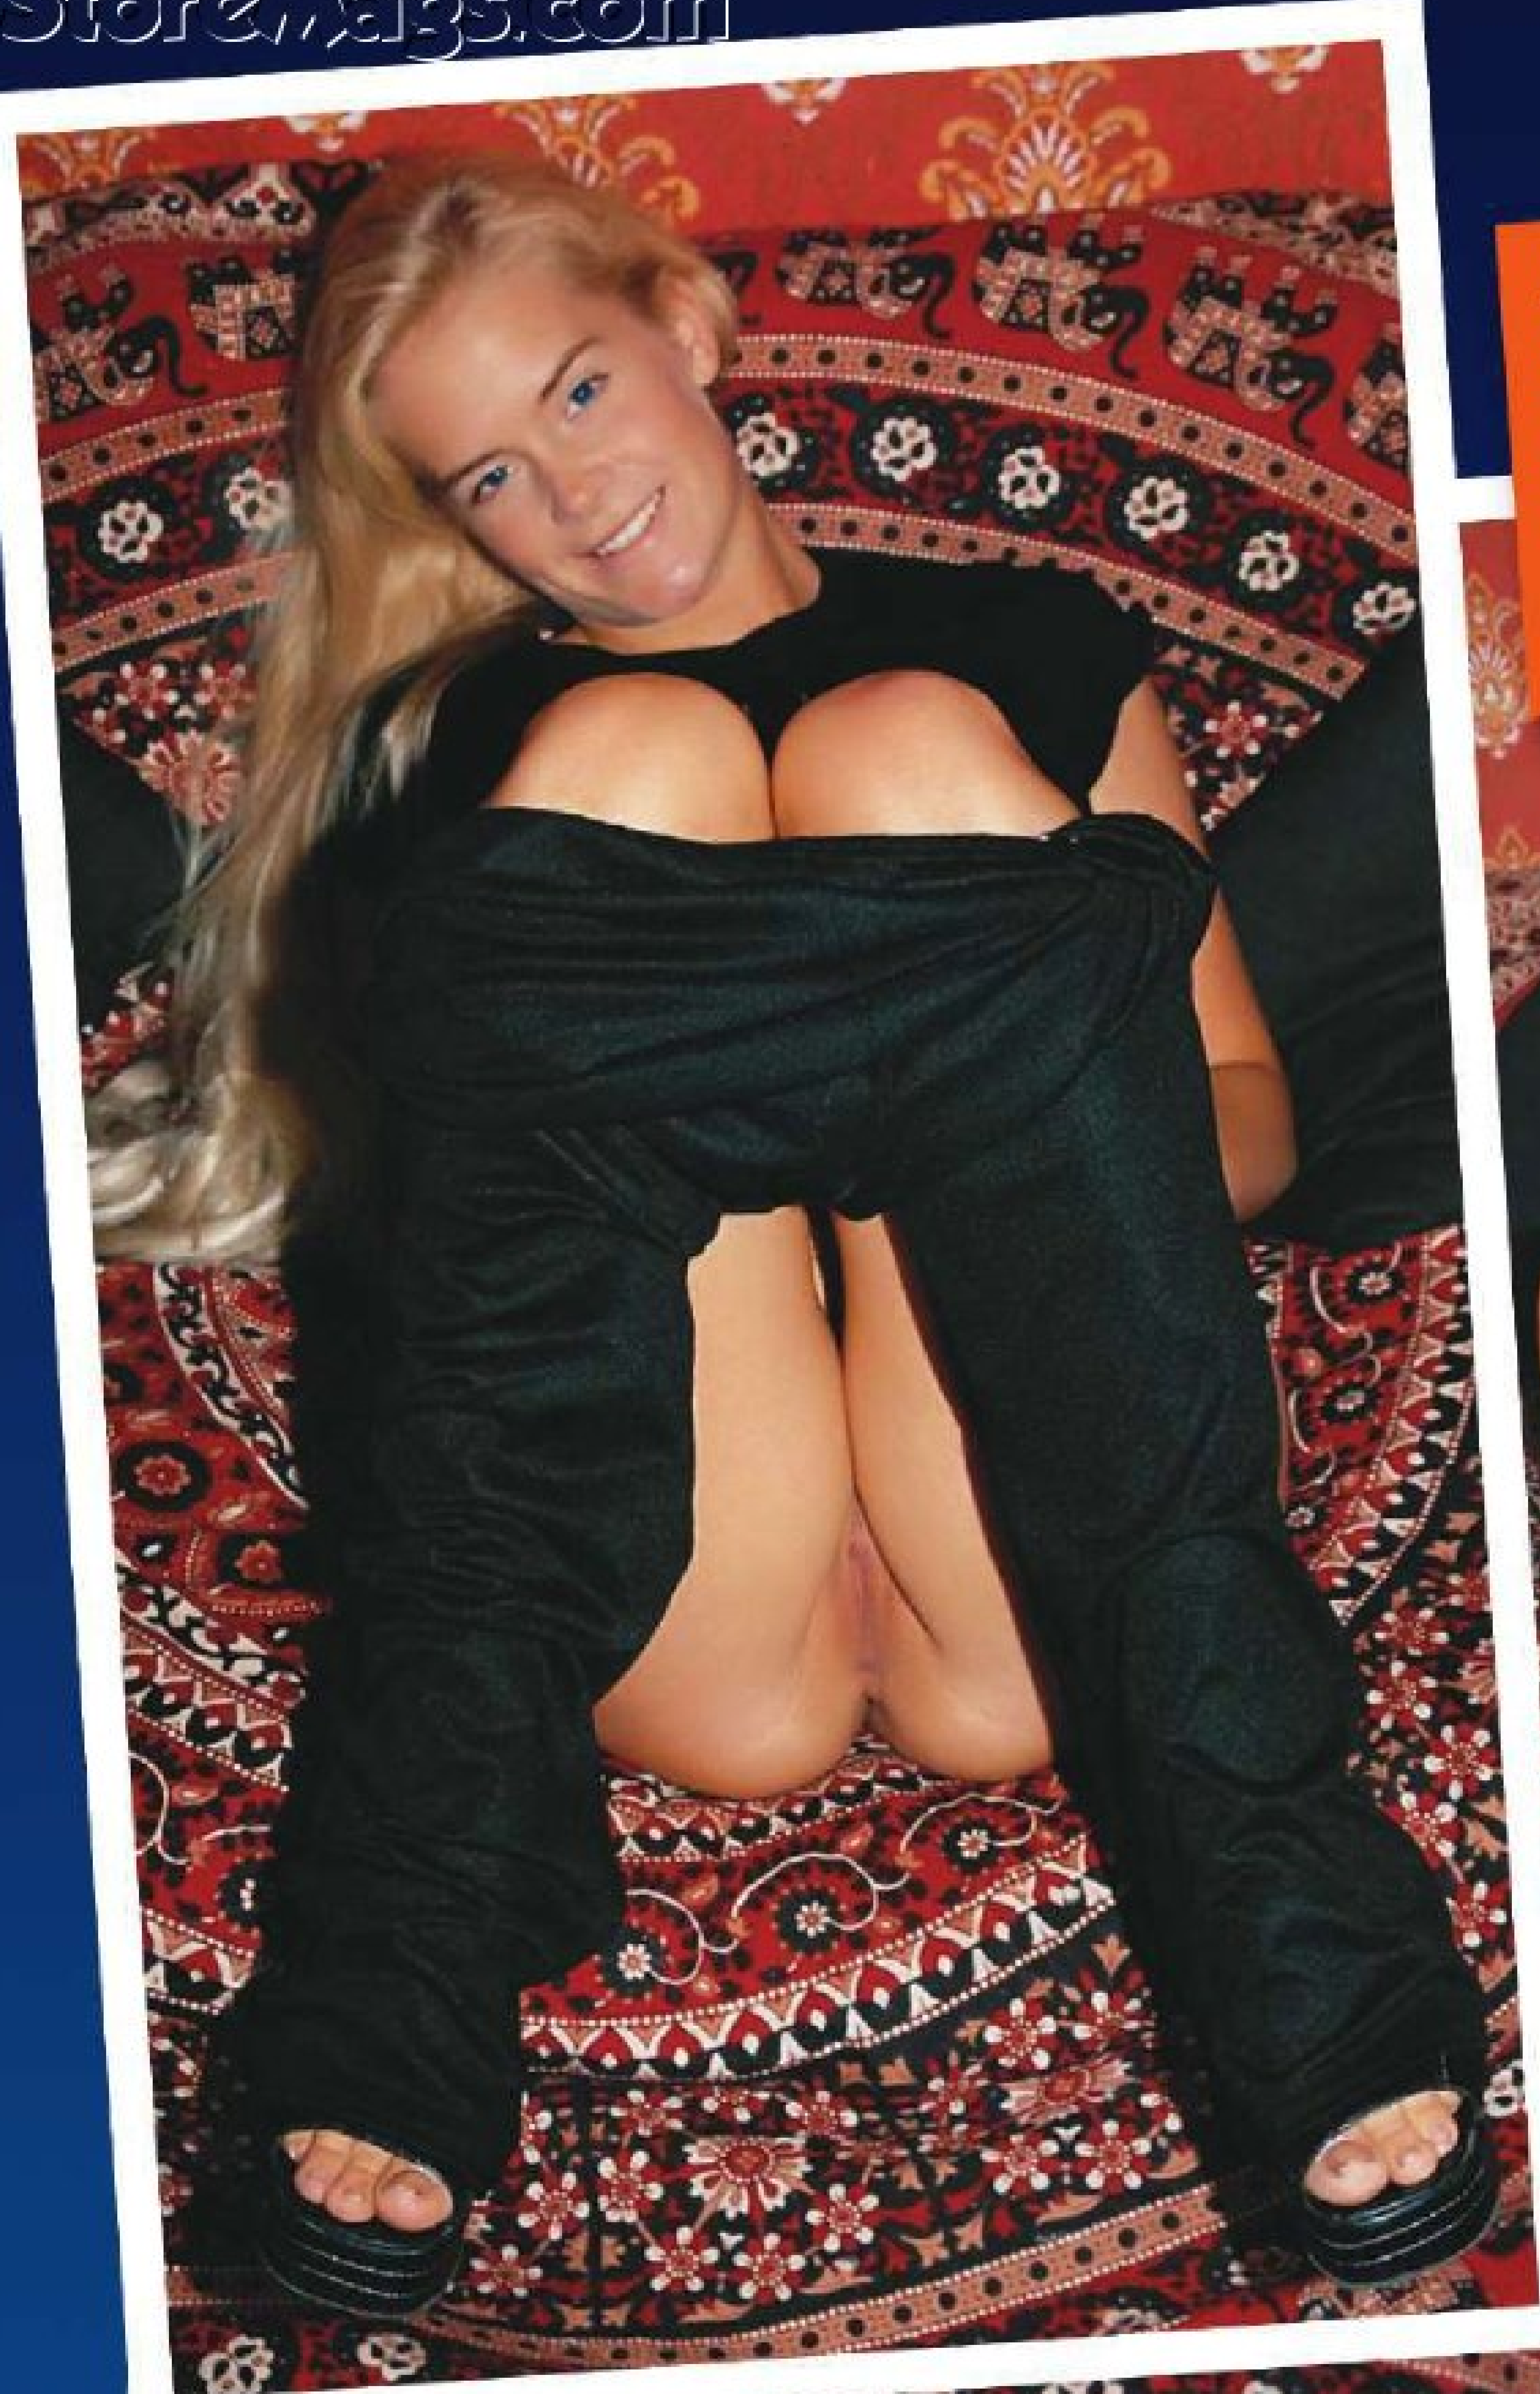

KATIE *There's something extremely sexy about an all-natural, all-American, all-nympho girl. Katie just happens to be one of those girls. She rarely wears make-up and just wants a guy who accepts her how she is. We would take this girl any way we could get her, and that's for damn sure. Then again we also know that Katie loves getting ridden nice and hard, so that's just the bonus plan to us! What can we say, other than we're suckers for nasty little natural nymphettes like Katie!*

RYANNE They don't come much dirtier than this coed from Illinois. Ryanne might not appear as a filthy little slut in her day o day life, but believe us, she is that and a while lot more. She'll take it in any of her horny holes without hesitation, and do it all with a dirty smile on her talented mouth. Let's just say that if you're looking for a good girl who's gone very bad, Ryanne is the answer to your prayers and is ready to get on her knees or on all fours to prove it.

ARDEL Ardel says that she prefers older men who aren't into playing mind games and know what they want. "So many men come into the clubs I dance in and try to be something they're not," she told us. "But the men who get my attention and have a shot at getting me into their bed are the ones who can say it all with a smile. I know which guys are going to be best at sex just by looking at them."

VICTORIA It's always a good time getting pics from wanton wives who just happen to love good old fashioned smut. Victoria loves some really kinky smut though. She says she's into messy sex. "I'm a fetishist who loves liquids on her, food smeared on my naked body and stuff like that. Sure, I like cum on my body as much as the next slut, but there's nothing like having food like pudding rubbed on my pussy and then licked off. I told my husband on my wedding night that I wanted to be the cake!"

CALLIE Callie enjoys teasing the guys who live in her complex. She does all sorts of naughty things like washing her car in skimpy things, or laying out by their community pool in the smallest bikinis. It's all part of her master plan in seducing some of these guys and getting them to come over for some sexy fun. She told us that one guy by the pool couldn't contain himself and took her to the dressing room there for a quickie. She was amazed people didn't hear them in there because she is a loud fuck, but they got away with it. But the neighbors sure as hell heard them later that night at his place!

MY SEX LIFE!

"OFFICE CRUSH"

I wonder if people in my office know how much I play with my pussy before I come to work. I have a crush on one of the women there. I never thought I was a lesbian until I met her. The way she walks around the office makes me crazy. I can't stop thinking about her and I have a hard time doing my work. Unfortunately she is totally straight and I think if she knew the thoughts I have about her body she would laugh at me, or maybe even get angry.

But I dream of sucking on her breasts and French kissing her tongue. I don't want to fuck men anymore but just want to be her lesbian lover. I know she is married and has a family, but I can't help myself. So before I come to work, I play with myself to get as much of the tension out of my body as I can.

I masturbate on my couch or my bed or in my bathroom, I touch my nipples and I finger my pussy and I rub my clit and I imagine it's this woman from work doing it all. I close my eyes tight and in my fantasies I see her naked and giving me all the pleasure I dream of. She would be the boss of me. I have such powerful cums thinking about her.

Do you think she knows, think she can tell, when she sees me in the office each day?

**ELIZA
& TIM**

Ever notice how it seems like some people just don't have a care in the world? This particularly rings true for beautiful women. Many seem to be able to float through life with fortune perpetually smiling down upon, rarely a frown ever marring the smooth skin of their lovely, creamy brow. Eliza is one of these golden girls, perpetually happy go lucky and hella hot to boot and Timo is one lucky sunnovabitch for getting to dip his stick into her whenever the mood strikes. In face, Eliza has basically given Timo permission to park his pecker anywhere on her gorgeous bod and, as could be predicted, he usually opts to slip his raging hot rod in back. Unfazed by Timo's ass blasting obsession, Eliza simply grins and bare it because she's got a bit of a dirty secret herself—she loves having her tail piped, it makes her cum like crazy. So when Timo insists on inching his way out of her worm hole and launching his love rocket into the deep space beyond her sphincter, she does not mind not even one little bit. He rides her rump until Eliza has a real cheek clenching O, then he pulls out in order to smear his peckaroo paste all over her bright beaming face. And everyone goes home a winner! ♣
